A Happy Homecoming

Residents are welcomed back home to The Carriage House with food, fun, and prizes

PETERSBURG, VA — The Carriage House, a senior living community owned and managed by Envolve Communities, LLC, hosted a delightful luncheon for its residents on June 26th. The event brought together 51 residents and several nursing aids for an afternoon of delicious food, friendly competition, and exciting prizes. This celebration served as a warm welcome back for residents who recently experienced a temporary relocation due to building repairs.

“We wanted to create a fun and engaging event to welcome our residents back home,” said Dana Polston, Portfolio Manager for Envolve. “The turnout was fantastic, and it was heartwarming to see the joy on everyone’s faces.”

Envolve catered the luncheon from Golden Corral, offering a variety of tasty options for residents to enjoy. Innovative PACE generously donated drinks and cookie trays, rounding out the appetizing spread.

The competitive spirit ran high as residents vied for the chance to win raffle baskets filled with essential household items, game/snack baskets, an air fryer, and a convenient shopping/laundry cart on wheels. A big hit of the event was the Carriage House tote bags, with residents eager to get their hands on more than one.

“The residents had a wonderful time socializing and participating in the raffles,” said Polston. “There was a lot of laughter and excitement throughout the afternoon. They’ve already expressed their enthusiasm for future events!”
